

Child Protection and Safety Policy

Christian College Geelong has developed the following Child Safe Policy. This Policy is an overarching document that provides key elements of our approach to protecting children from abuse.

The Policy forms the foundation of the College's procedures, practices, decision-making processes and ultimately the College's culture with respect to child safety.

It is designed to be published on our public website as well as communicated through other mediums such as newsletters, our annual report and in induction and welcome packs for Board of Directors members, staff and Volunteers. A PDF version of Christian College Geelong's Child Safe Policy is available [here](#).

The College's Child Safe Policy has been approved and endorsed by the College's Board of Directors and is regularly reviewed by the Board.

At Christian College Geelong we have a zero tolerance for child abuse and are committed to acting in children's best interests and keeping them safe from harm. The College regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture.

Child Safe Values and Principles

The College's commitment to child safety is based on the following overarching principles that guide the development and regular review of our work systems, practices, policies and procedures to protect children from abuse.

1. All children have the right to be safe.
2. The welfare and best interests of the child are paramount.
3. The views of the child and a child's privacy must be respected.
4. Clear expectations for appropriate behaviour with children are established in our Child Safe Code of Conduct and Staff and Student Professional Boundaries policy.
5. The safety of children is dependent upon the existence of a child safe culture.
6. Child safety awareness is promoted and openly discussed within our College community.
7. Procedures are in place to screen all staff, **Direct Contact Volunteers****, Third Party Contractors and External Education Providers who have direct contact with children.
8. Child safety and protection is everyone's responsibility.
9. Child protection training is mandatory for all Board of Directors members, staff and Direct Contact Volunteers.

11. Children from culturally or linguistically diverse backgrounds have the right to special care and support including those who identify as Aboriginal or Torres Strait Islander.
