

How to get involved?

1. **Find** an empty shoe box or gift box, and decorate it with pictures or stickers.
2. **Fill** the shoe box with essentials (toiletries) or luxury (toys, puzzle books etc.) items.
3. **Personalise** your box with a letter or note to the recipient.
4. Clearly **label** your box with the intended gender (male/female) and age of the recipient.
5. **Drop-off** your box to the school, kindy or community group.

A list of suggested themes and items that could be included in your box can be found at www.shoebboxesoflove.org.au

*Please note: Only **new** items are to be included in your **shoe box of love**, and boxes must not be sealed.*
